C. Presentation – Richard L. Carrico: “*An Overview to Understanding and Implementing SB 18, the Sacred Sites Bill*”. Mr. Carrico has been active in the cultural resources management field for more than 26 years and is Director Tribal Affairs and History at Jones & Stokes.

SB-18 was passed in September 2004 and took effect March 2005. The bill requires local governments to consult with tribes when the agency is preparing or amending a General Plan or when establishing conservation/open space easements. Inherent in the bill is the recognition that federally recognized tribes are sovereign nations and have a significant role to play within the land use planning process. SB-18 is not CEQA driven; it is more a function of California planning law and government codes. This presentation will frame SB-18 in the context of civil rights law, discuss the history of the bill from its original intent to be codified within CEQA, provide definitions of terms within the bill, and provide some examples of how the bill is being applied within various jurisdictions.

ACTION ITEMS

ITEM 4 – ELECTION OF OFFICERS FOR THE 2006 TERM

Description: Nominate and elect officers for 2005 (Chairman, Vice-Chairman); continued from January 22, 2007.

ITEM 5 – DULZURA CAFÉ MAA 07-001

Applicant/Owner: Martha A. Hernandez

Location: 17023 Highway 94, Dulzura; CA 991917, APN 600-170-07-00

Community Planning Group: Jamul-Dulzura

Supervisor District: 2-Dianne Jacob

Description: The Dulzura Café is a single-story, Vernacular style structure constructed on the south side of Highway 94 in the rural community of Dulzura. The structure was originally used as a store and house. The store supplied food and essentials for the locals because it was a long trip into town. The Dulzura post office that was established in 1887 was located inside the Dulzura Café before moving into a separate structure on the restaurant property during World War II. This resource is significant under Section Vb1 of the San Diego County Register of Historical Resources that defines a resource as significant if it is associated with events that have made a significant contribution to San Diego County's history and cultural heritage.

Today's Action: Recommend placement of the Dulzura Café on the Local Register of Historic Resources, and recommend approval for participation in the Mills Act Contract.

Staff Recommendation: Recommend placement of Dulzura Café, on lot APN 600-170-17-00, on the Local Register of Historic Resources as Landmark Number 2007-001 and recommend approval for participation in the Mills Act contract. Staff recommends that the project be found significant pursuant to San Diego County Register of Historical Resources that defines a resource as significant if it is associated with events that have made a significant contribution to

the broad patterns of San Diego County's history and cultural heritage. The Dulzura Café is significant because of its association with the community development of Dulzura.
